2008 Miracle on Lake Avenue Parade instructions
Saturday, November 29, 2008 at 10:30AM

Thank you for registering for the parade! Our parade has become an annual event that gets everyone into the holiday spirit. Without you, this event could not happen and we sincerely thank you for your time and efforts to make this the best parade ever! **This year’s theme is “Nutcracker - Sweet!”**

The best floats in each category will win several gift certificates to local merchants. **Prizes** will be awarded in the staging area right before the parade starts.

There are two float categories: Business and Non Profit Organization/Open Class. 1st and 2nd place will be awarded in each category.

Please, no fake Santas! We will have the real one at the end of the parade.

The staging area is on the south side of North Elementary School on 301 East 7th Street.

- Please line up by 9:30AM. Storm Lake Ambassadors will be there to help direct traffic and line up the floats. Please follow their instructions.
- The parade will **start at 10:30AM**.
- To make the parade last as long as possible, **drive slow** and take your time.
- Slow down if the entry behind is too far back.
- Do not throw candy out into the crowd. You can hand out wrapped candy.
- The parade will start at North School, advance south on Lake Avenue to Railroad Street and end back at the school.

Staging area for horses and ponies

- Horses are to be bagged if at all possible. If you cannot bag them, you will be at the end of the parade and 4Hers will follow you during the parade route with pooper scoopers. They are responsible for the parade route only. It is your responsibility to keep the staging area clean. Please help these young 4Hers out as much as possible so everyone can come back next year!

We are already looking forward to next year. The Chamber of Commerce hopes you will join us again!
